School Day
Amenities
Battles
Camp Tours
Dance & Meal

Many of you have been through thick and thin, hot and cold, wet and dry with us, and for that we THANK YOU. You've watched buildings move in and undergo restoration, so that our park is beginning to have a mid-Nineteenth Century village ambiance. With your help, we've raised money to purchase an additional five acres to further develop. Can't you envision actual restrooms to augment the scenic camp and battle areas? Can't you envision more buildings and pavilions? Can't you envision an amphitheater? We can! (But it'll take more time and money.) After providing your *amenities* such as *cannon and horse bounties, fire-wood, hay, meal, and dance music*, proceeds from your enjoyable Blountsville weekend go to Society projects and park improvements such as mentioned. We've had a great partnership with you all, and hope to see you again in May! (Newcomers, "ya'll come!")
